WHO WE ARE

# CARLISLE CHRISTIAN ACADEMY

For fifty years, Carlisle Christian Academy has provided a kind, safe, and welcoming environment for student to learn and grow seeking to glorify God through excellence in education. Carlisle Christian Academy prepares students for future academic, career, and life endeavors.

## THE CURRENT CHALLENGE

In 2021, Carlisle Christian School expanded its Secondary Campus to include a campus on W. Pomfret Street in downtown Carlisle. While originally necessary due to COVID spacing requirements, the W. Pomfret Campus provided CCA an opportunity to grow both numerically and programmatically. While CCA students have benefited in many positive ways, the financial burden of funding two campuses has limited ongoing growth and hindered future stability. As a revision of the CCA strategic plan, the steps are being taken to (1) renovate the first floor of the W. Pomfret Campus to provide a sufficient and engaging space appropriate for elementary students and (2) unite the two campuses together at a single location -- the W. Pomfret Campus.

## WHY UNIFY CCA CAMPUSES INTO ONE?

Unification of campuses at the W. Pomfret location provides increased . . .

- ▶ **SERVICES** - Enhancing student programs by eliminating duplication of student services and providing new opportunities.
- ▶ **STEWARDSHIP** - Prioritize, redirect, and increase funds to support staff and student programs.
- ▶ **SOLIDARITY** - Unity of the CCA Community through a single location and a common experience.

The THRIVING TOGETHER Campaign provides a more modern space & creates an impactful learning environment for CCA Elementary Students.

## WHAT IS THE PLAN?

Beginning in the Fall of 2025, Carlisle Christian School and local partners will begin to renovate the first floor of the W. Pomfret Campus. The purpose is to create an engaging and uniquely designed learning environment for Elementary Students with the plan to unify the two campuses to the W. Pomfret Campus in the Fall of 2026. The project includes:

- ▶ **Spacious classrooms** allowing for increased student engagement
- ▶ Attractive educational design providing a **welcoming and engaging learning environment**
- ▶ **New playground equipment** for student recreation and enjoyment
- ▶ **Innovative “Maker Space”** to promote student creativity, critical thinking, and problem-solving.
- ▶ **Upgraded & enlarged restrooms** adequate to meet the needs of more students

# THRIVING TOGETHER

Together, we take an impactful step to unite our two campuses and create an enriching educational learning environment for our students. Providing quality learning space positions Carlisle Christian Academy to steward resources toward the **support and growth of students**. Together we can continue to inspire minds, hearts, and lives making an impact in the Kingdom of God for His glory.
