We hereby declare that without Financial Aid we could not send our child(ren) to CCA and that if the Lord supplies our need after Financial Aid is awarded, we will notify the Academy and have the award decreased accordingly.

We also agree to meet the tuition due dates on time. We have read and understand the late tuition procedure as follows:

- A late fee of \$15.00 is charged to your FACTS account after the 2nd attempt to collect a payment due to Insufficient Funds or an Expired Credit Card. The Administrator may waive this fee if notified of financial hardship prior to the 1st day of the next month.
- If the payment is not made by the 1st of the following month, written notification places the student(s) on enrollment probation and they will be dismissed from CCA if the family falls behind by a total of two tuition payments. The family may appeal in writing to the CCA Advisory Committee within thirty (30) days of dismissal.
- The Academy shall take appropriate measures to recover the tuition owed, including binding arbitration or civil relief.

I certify that all of the above information is true and correct and the Federal Forms 1040 enclosed provide a true and accurate verification of my annual household income. I understand that the deliberate misrepresentation of the information may result in the award being denied or terminated. I understand that the award payments will continue for the complete, current school year only as long as my child is enrolled at the school, my family continues to qualify under the award income guidelines, and I stay current on the tuition balance. Any unused portion of the award will be retained by CCA for other uses. Further, I understand that the awards are given according to the prioritized selection of the qualified applicants, as per the guidelines established by the Commonwealth of PA and buy the CCA Financial Aid Fund, and that the awards given are the sole responsibility of CCA. All decisions are final.
