

ANNUAL FUND

Let us not love with words or speech but with actions and in truth. 1John 3:18

Good thoughts, good words, good intentions, often stop short of good actions. At Carlisle Christian Academy, we are taking our good intention, our mission, into the community and putting it into action!

The mission of Carlisle Christian Academy is to inspire individual students through the spiritual foundation, academic studies, physical training and social consciousness required to provide godly leadership in their families and communities.

This mission is in action throughout the year at CCA. Together, parents, family members, teachers and staff instill social consciousness in the students by providing real world experiences to serve the community.

Your participation in the Annual Fund is one of the best ways to partner with us in our mission. Your contribution of any amount signals your purpose to unite with us as we strive to provide an exemplary K-12 Christian school education.

Your gift matters!

All gifts to CCA assist in providing students with the tools and experience needed to become lifelong learners who make a difference in the world. As a private school we rely on tuition, Annual Fund contributions and other fundraising activities to support our programs.
