

The Dr. Robin Craig-Carriaga Scholarship Fund

Dr. Robin Craig-Carriaga, mom to CCA third grader, Kai, was a beloved member of the CCA community.

Dr. CC, as her students liked to call her, was an accomplished research scientist, college professor, coach, mentor, and friend. Robin touched the lives of so many people in both her professional and personal life. Robin generously donated her time and knowledge with CCA faculty and students, helping in the classrooms, making lunch for the staff, helping with summer camp, teaching Science lessons, and sharing her remarkable faith and courage in chapel.

After a valiant 5-year battle with cancer, Robin passed away on June 18, 2020. In honor of Robin's professional accomplishments in the field of Science, and the high esteem Robin held for academia, the scholarship fund has been established and will be awarded to a 2022 CCA graduate that excels in academics and exemplifies a spirit of citizenship.

If you feel called to donate, you may use the donate button on this site, or send your donation to:
