

Multiple Child Tuition Discount

To be eligible for a multiple child discount, children must be listed on the tax return as the dependent of the parent/guardian applying for the discount. Discounts are manually added to FACTs once submitted. Please login to your FACTs account at any time to monitor balances and see discounts added.

First child: Full tuition

Second child: 10% off tuition

Third child: 30% off tuition

All additional children: 50% off tuition

Please complete in the order of oldest to youngest child.
